

SABER 40 CHP

The Sabre series offers a range of plasma cutting based on the latest inverter technology. They are compact and easy to use, are able to perform precise cuts and have excellent quality. They are truly powerful, versatile and reliable cutting tools, ideal for all on-site and in-house maintenance work and for all kinds of materials.

- Plasma cutting
- Single phase 1x230V
- Inverter technology
- Integrated plasma torch SP40
- Everything you need in your suitcase
- Lightweight and professional
- Protection IP 23S
- Weight: 11.0kg
- Cuts steel up to 15 mm thick
- Duty cycle - 40 °C 40 % - 40A 60 % - 35A 100 % - 30A
- Suitable for: Carbon steels - Aluminium and galvanized steels - Stainless steel - Cast iron - Aluminium and aluminum alloy - Copper and copper alloy
- Cutting - 20mm
- Maximum cut - 16mm
- Recommended cut - 12mm
- Perforation - 10mm
- Applications:

Light, Medium workshop production

Construction / Road transport

Maintenance and overhaul

Construction works

Bodywork, Workshops

Sheet metal processing

Food industry

Plumbers / Installers

SABER 70 CHP

The Sabre series offers a range of plasma cutting based on the latest inverter technology. They are compact and easy to use, are able to perform precise cuts and have excellent quality. They are truly powerful, versatile and reliable cutting tools, ideal for all on-site and in-house maintenance work and for all kinds of materials.

- Plasma cutting
- Three-phase power supply
3x230V – 3x400V
- Inverter technology
- Light and professional
- Protection IP 23S
- Weight: 18.6kg
- Cuts steel up to 25 mm thick
- Duty cycle - 40 °C 50 % - 70A 60 % - 55A 100 % - 55A
- Suitable for: Carbon steels - Aluminium and galvanized steels - Stainless steel - Cast iron - Aluminium and aluminum alloy - Copper and copper alloy
- Cutting - 35mm
- Maximum cut - 28mm
- Recommended cut - 20mm
- Perforation - 15mm
- Applications:

Light, Medium and Heavy workshop production

Construction / Road transport

Maintenance and overhaul

Construction works

Bodywork, Workshops

Sheet metal processing

Food industry

Plumbers / Installers
